

Visegrad 4 Ukraine: improving energy efficiency

Lessons learned and best practices

V4 Road Show in Ukraine

Date	February 25, 2016
Venue	Lviv Polytechnic National University, 12 Bandera Street, Lviv
Organizer	Ministry of Foreign and European Affairs of the Slovak Republic in cooperation with the Ministry of Foreign Affairs of the Czech Republic, Ministry of Foreign Affairs and Trade of Hungary, the Ministry of Foreign Affairs of Poland, Ministry of Foreign Affairs of Ukraine and the Slovak Foreign Policy Association
Partners	International Visegrad Fund, Lviv City Council, Lviv Oblast State Administration, Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH, Centre for Global Studies Strategy XXI (Kyiv), Faculty of Social Sciences, Masaryk University (Brno), Polish Institute of International Affairs (Warsaw), Association of Energy Efficient Cities of Ukraine, Lviv and SlovakAid
Languages	English and Ukrainian (with simultaneous translation)
Goal	This roundtable is part of the initiative “V4 Road Show in Ukraine” agreed by the V4 Deputy Foreign Ministers in Lviv on October 7, 2014, with the aim, first, to share reform experiences of the V4 countries with Ukraine in the selected policy areas, and second, to enhance coordination of the V4 assistance to Ukraine. The V4 countries agreed on their specific roles when it comes to sectorial focus of their assistance to Ukraine in its reform process related to the implementation of the Association Agreement with the EU. Slovakia took over leadership in the field of energy. The aim of the roundtable in Lviv, which will be held under the auspices of Deputy Foreign and European Affairs Minister of SR Igor Slobodník, is to facilitate sharing of the V4 experience with Ukrainian partners in the field of improving energy efficiency and the use of renewables, including from the implementation of respective EU legislation and programs, their transposition into national legislation and policies of the V4 countries as well as learning from the best practices and successfully implemented projects in the field of energy efficiency in the V4 countries.
